**LOBO Trax Menu**

- **Submit an Audit**
  - Run a LOBO Trax degree audit.
- **View Submitted Audits**
  - Choose from a list of previously submitted LOBO Trax degree audits.

**Student Access**

- View your profile
Accessing LOBO Trax

1. Enter **Student ID** or **Student Name**
2. Click **Run Audit**
Reviewing LOBO Trax Audit

1. Click **View Audit**
2. Click “>” next to **BS in Computer or Electrical Engineering 120 Hours**
1. Pending requirements are identified by an "x".

2. Students should build their course plan by choosing “SELECT FROM:” courses if pre/co-requisites have been satisfied.
Course description and pre/co-reqs can be found by clicking on courses in “SELECT FROM:” list.
Thank you for using LOBO Trax!

Feel free to contact Yvoné Nelson at nelsony@unm.edu if you have questions or need further assistance. 😊
